

EUROPEAN JOURNAL OF LEGAL STUDIES

CALL FOR SUBMISSIONS

The European Journal of Legal Studies calls for submissions of scholarly papers for its forthcoming **Spring Issue 2018**. We welcome articles in the fields of **international law, European law, comparative law and legal theory**. Besides doctrinal studies, we also encourage submissions analysing legal questions by means of **empirical methods** and submissions adopting **interdisciplinary approaches**.

The European Journal of Legal Studies is a double-blind peer-reviewed, open-access journal founded in 2007 and run by PhD researchers of the Law Department of the European University Institute in Florence.

If you would like to participate in the academic debate in a journal committed to promoting research excellence and supporting creative young legal scholarship, send us your paper in any of the fields mentioned above. You will benefit from a fast, but very thorough review process, accessible to all in the spirit of fairness.
